The 1980 Galaxy is Dedicated to a Friend

Mr. Ed James

Mr. James was born June 6, 1922. He went into the Army in June 1941 to fight World War II in Italy and was discharged in November 1945 at the end of the war.

Mr. James had been a part of Robinson school district for 19 years. In 1960 he taught at the junior high, where he coached boys basketball from 1961-1964. In 1962 Mr. James and Bill Bradley, now superintendent of Gatesville, coordinated Robinson's first football team which was a combined seventh and eighth grade squad.

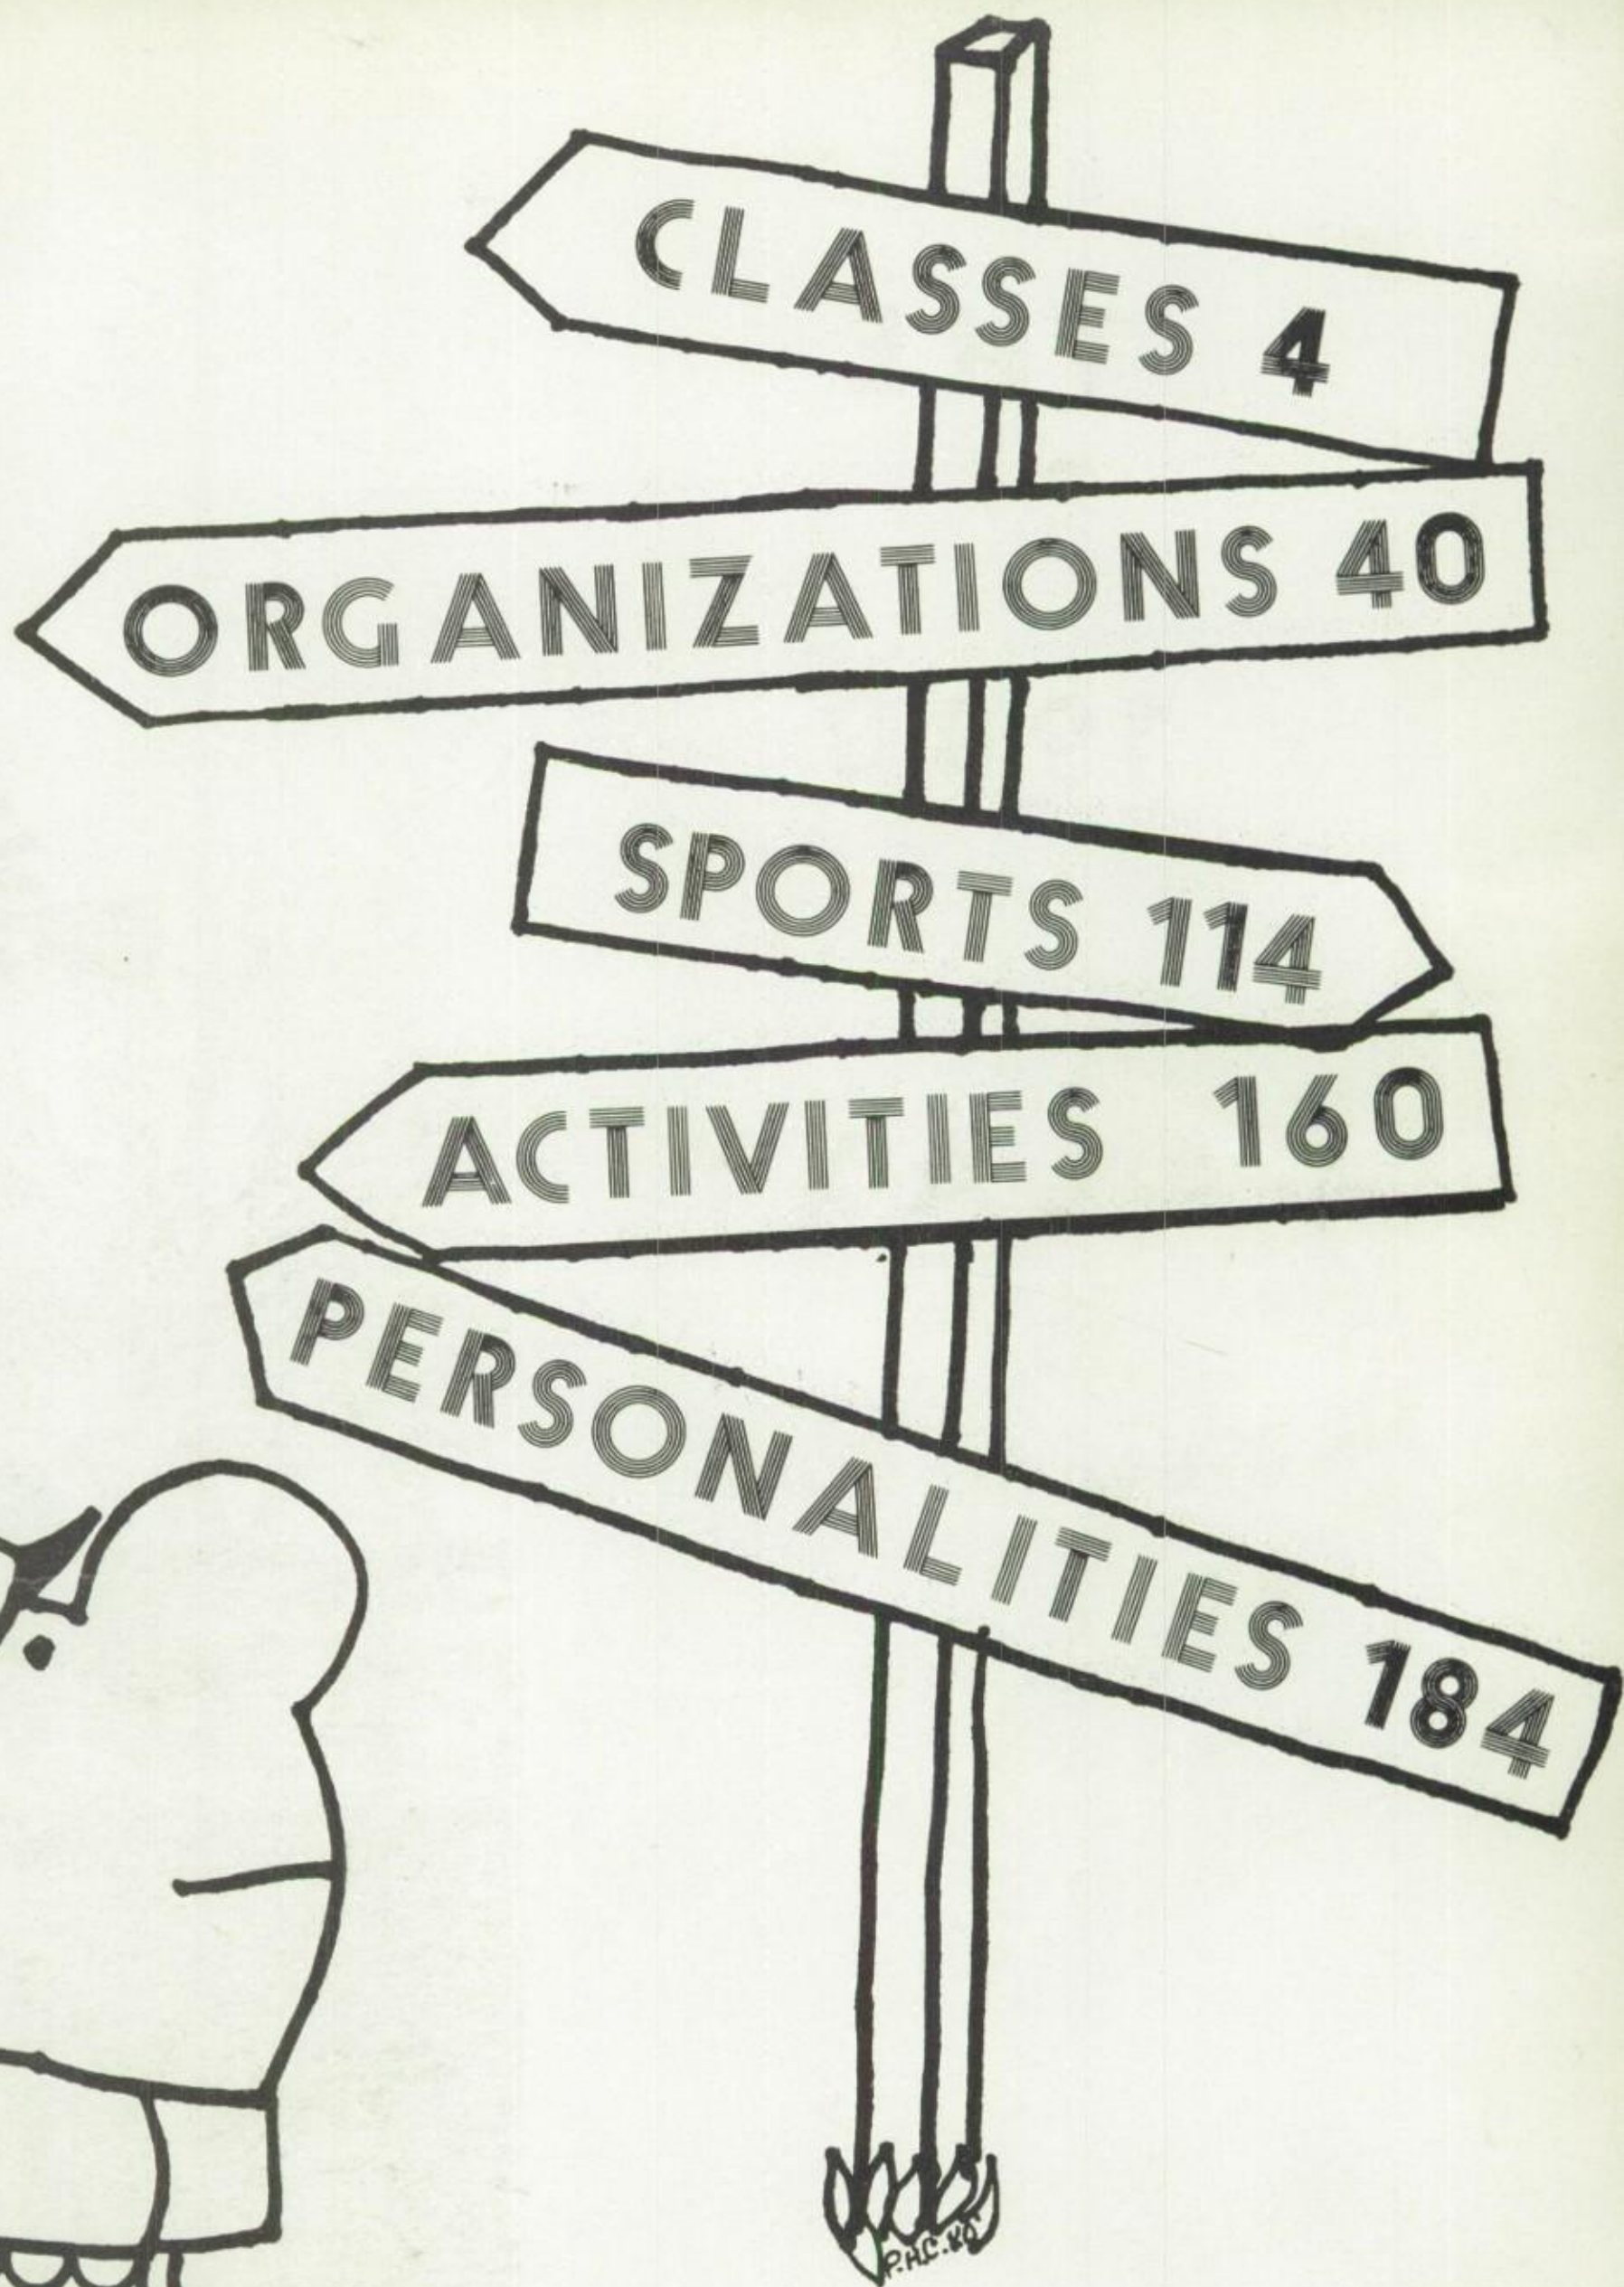

Mr. James came to the high school as a principal in 1970. He helped to get everything going for a new school building. Finally the hard work he put out paid off. Mr. James served as principal of Robinson High School from 1970 until his untimely death in September of 1979. Although the man is no longer here to guide us, his memory lives on. It is for this reason that this, the 1980 Galaxy, is dedicated to this fine man.

A large group of students, likely members of a school organization, are posed in a large, loose formation on a grassy field. The students are dressed in casual attire typical of the late 1970s or early 1980s, including sweaters, jackets, and jeans. The group is spread out across the frame, with some students standing in the foreground and others further back. The background shows a flat, open field under a clear sky.

Dreams

Hold fast to dreams
For if dreams die
Life is a broken-winged bird
That cannot fly.

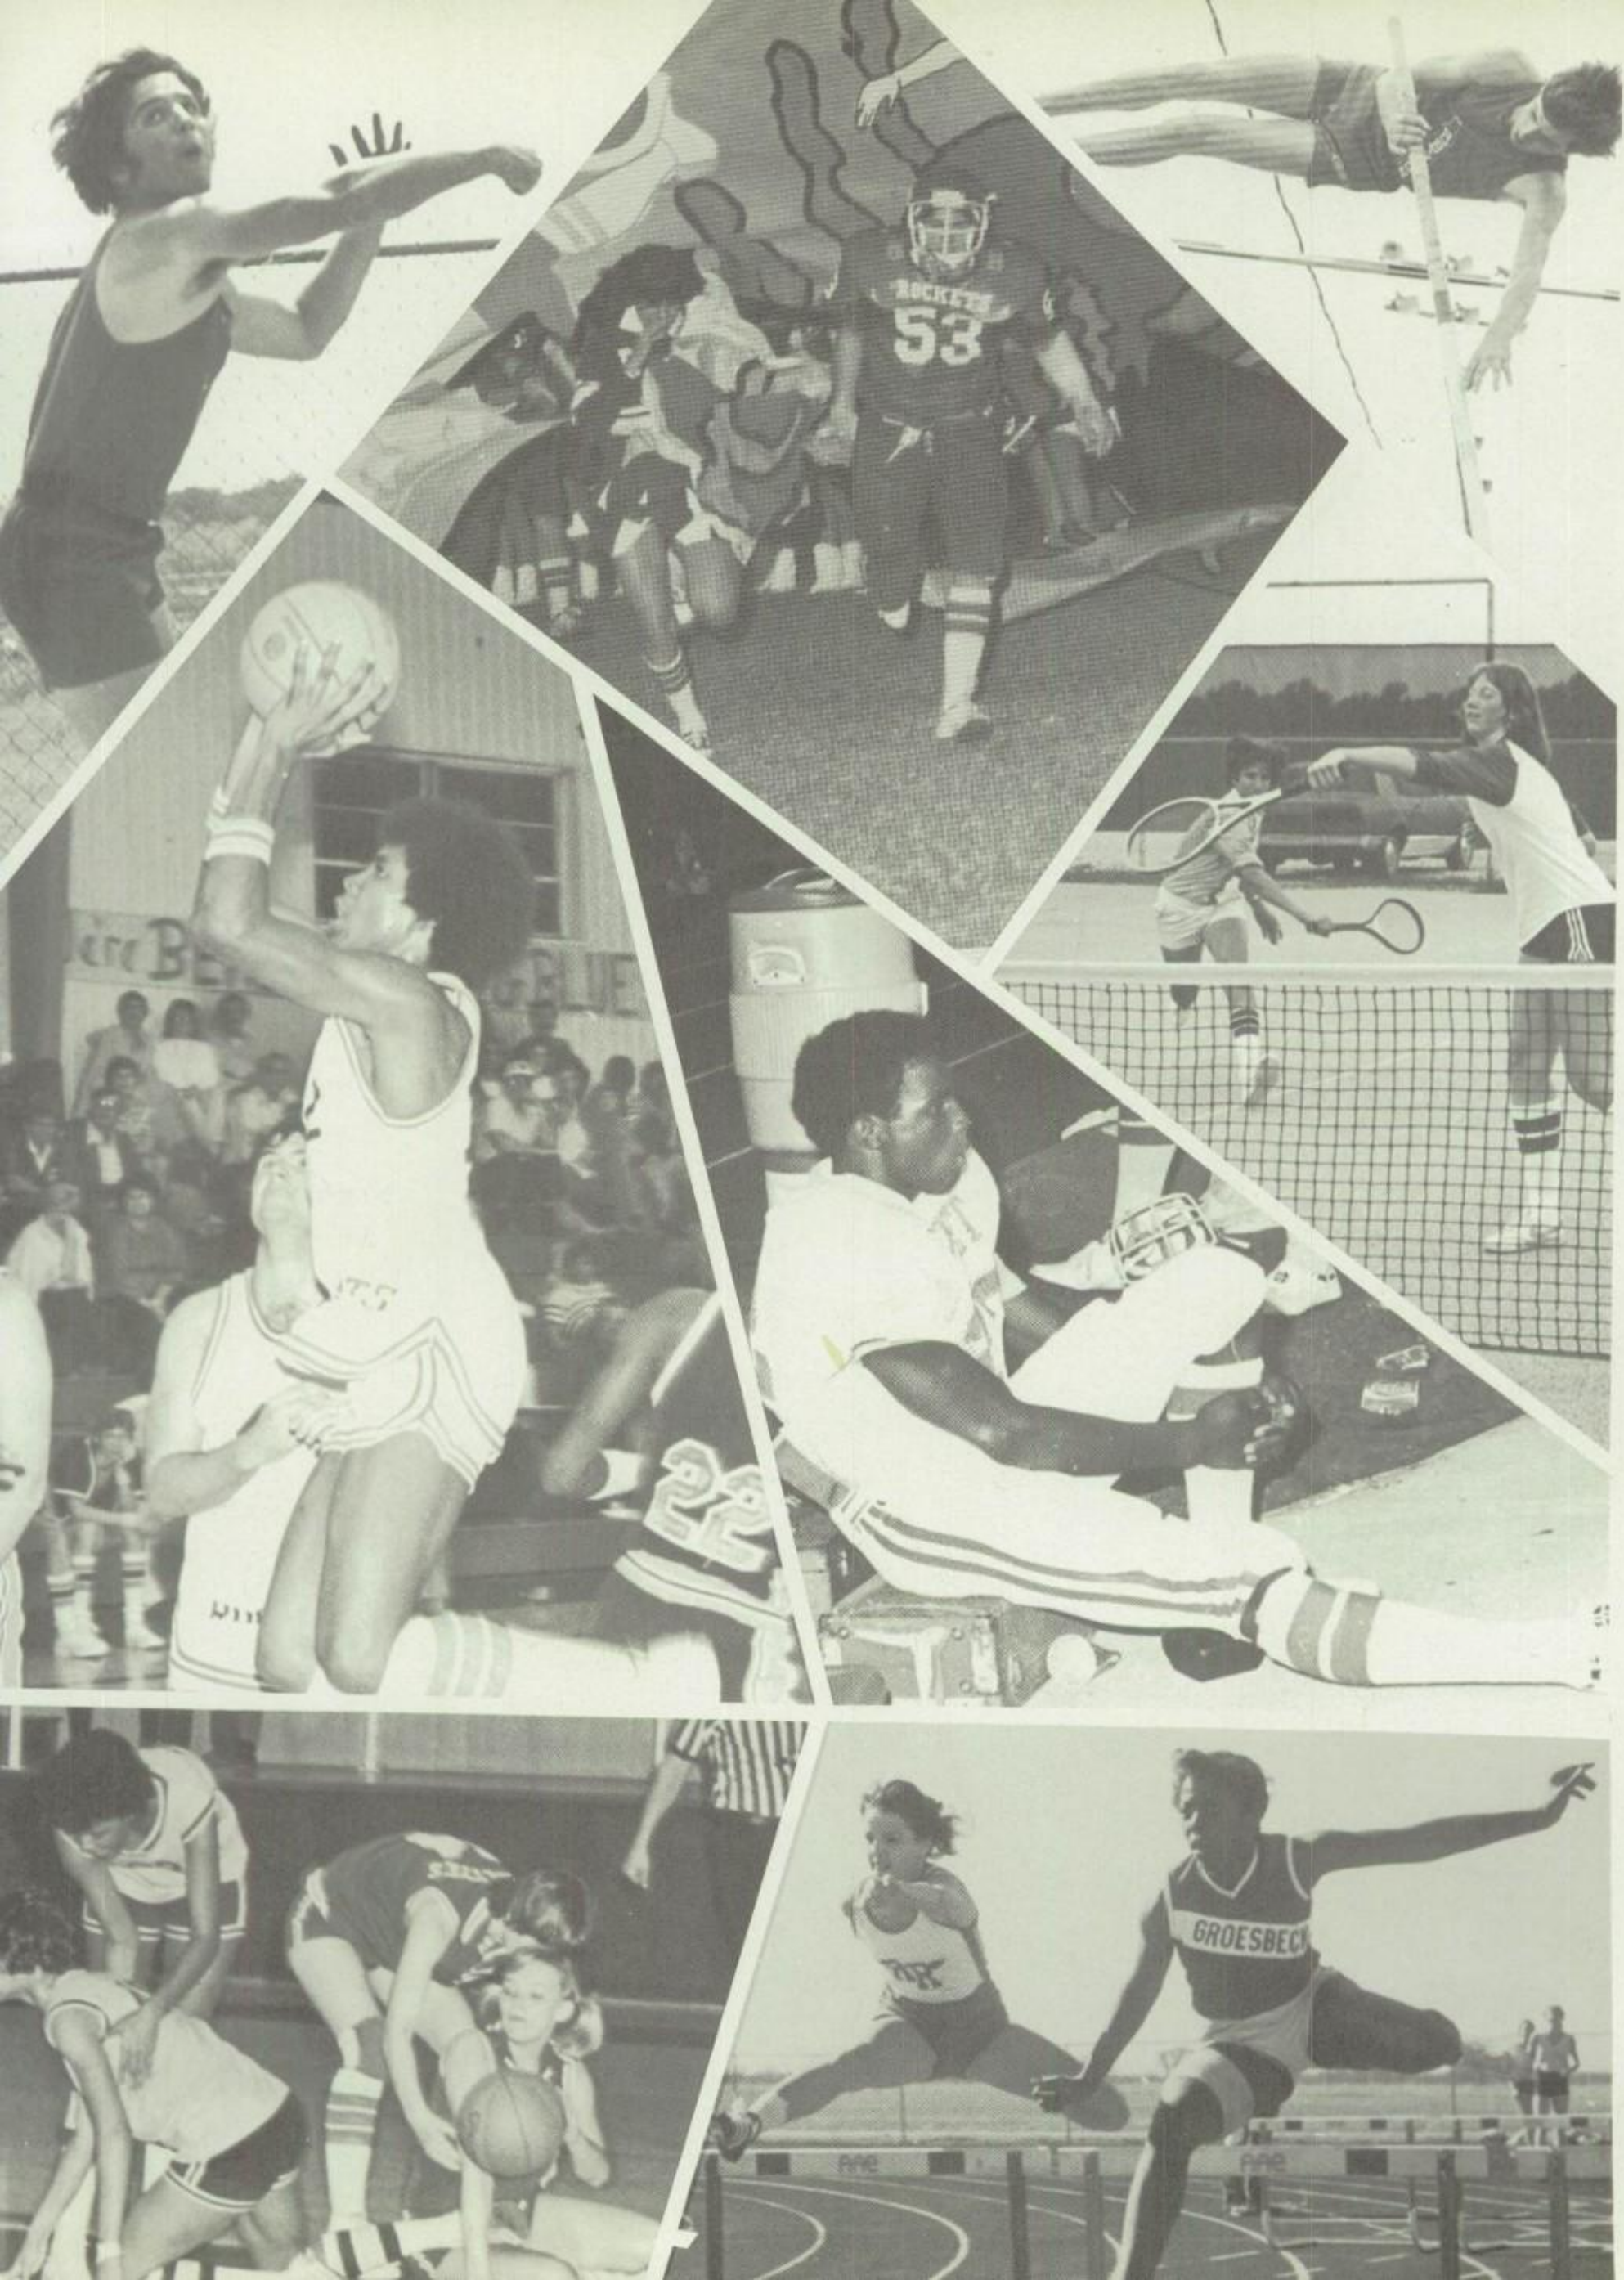

Hold fast to dreams
For when dreams go
Life is a barren field
Frozen with snow.
